# interiors with integrity

A modern bedroom interior with a bed, a desk, and a chair, featuring a large white geometric graphic overlay. The room is dimly lit, with a warm glow from a bedside lamp. The bed has a grey headboard and white linens. The desk is a simple, dark wood surface with a chair. The floor is made of light-colored wood in a herringbone pattern. The walls are dark, and there are dark curtains. The ceiling has track lighting. A large white geometric graphic, consisting of several overlapping shapes, is overlaid on the image.

# About Atkinson & James

---

You can trust Atkinson & James every time. Our highly skilled team work together to bring every project we undertake to completion, on time, every time and on budget.

---

**Throughout every facet of every project we inspire confidence - another reason why our clients remain loyal - trusting us to deliver and cope with demanding deadlines, situations and schedules, no matter how complex they may be.**

A worthwhile reputation can only be gained over time and our reputation is no exception.

We have earned the trust of our clients through what we have achieved for them. We have never been discovered resting on our laurels - our commitment is consistent.

The A&J team excel at the creation of new interiors and the refurbishment of existing rooms and space in hotels. Our vast experience in this field is available now to clients. Whether the hotel in question is a luxury 5 star or a single overnight stop lodge the same care and involvement is always given by A&J.

---

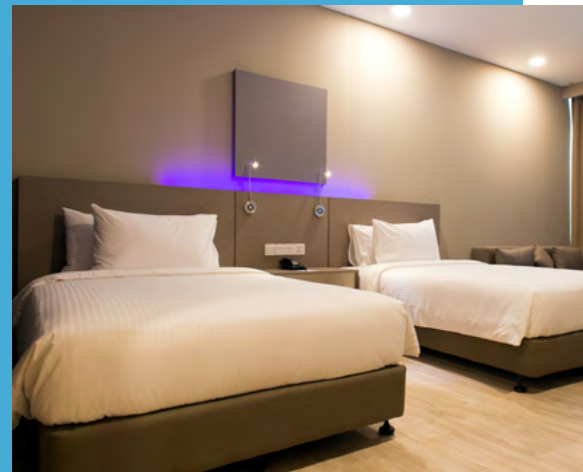

To some it could seem an old fashioned philosophy, but at Atkinson & James the most important consideration goes to our clients.

We make every effort to ensure all projects A&J carry out run smoothly, causing no problems for our clients... no matter what size the project may be.

Organisation is the key, and at A&J we meticulously program the works, highlighting the projects critical paths. This enables us to deliver the project on time, every time.

Every project A&J undertake is exclusively craftsmen created... in a bespoke way... to ensure a perfect fit and the best end result. This level of successful planning over the years has earned our clients valued trust.

# Commercial Buildings

---

## Our Sectors: Commercial Buildings

---

As one of the UK's leading commercial interior and office fit out contracting companies Atkinson & James can be trusted to deliver.

---

**Our years of experience within this sector have created a vast network of product suppliers that we are able to call upon in order to create bespoke office environments that are specific to your requirements.**

As a challenging and fast-paced sector, the commercial environment requires us to be ever so more flexible, efficient and understanding in the meeting of our clients deadlines during unsociable hours.

As major players in all areas of refurbishment Atkinson & James extend their interior abilities to prepare durable exteriors for vast range of clients.

Our input of care and attention to detail is second to none throughout every stage of each project. A rigorous regime of quality control is kept firmly in place to achieve the ultimate standard for every A&J client - no matter how tight the deadline!

# Public Sector

---

## Our Sectors: Public Sector

---

Atkinson & James have vast experience working in the public sector market. This sector in particular demands the ability to demonstrate value for money.

---

We have designed and produced many projects that require a high level of planning from the start require scrupulous project management at all times. This being something that Atkinson & James excel at.

At A&J, we completely understand the need to provide an extremely high level of flexibility in the way we work and the importance of security issues on projects that for example require working on multiple floors or in large open plan offices.

Atkinson & James' project management team will oversee the project constantly, ensuring that building works and facilities are completed on time and within budget.

# Care Homes

---

## Our Sectors: Care Homes

---

Senior Living - Lifetime solutions:

At Atkinson & James we specialise in the creation of new interiors & the refurbishment of existing rooms and space.

---

**Our experience in all aspects of refurbishment means we can deliver an environment which minimises the institutional look but offers the safe, inviting appearance of a private house.**

First impressions count, and for a family member walking into a care home for the first time, they need reassurance that their loved one is going to find the comfort and care they need. They will be looking for high standards and signs of professionalism.

Shabby décor, old furniture and tired rooms with an institutionalised appearance will diminish trust.

We aim to provide quality décor and furniture to create a caring environment.

The right ambiance will relax you, make you feel at home, as well as creating a great space for staff and relatives to be around residents.

# Retail

The image shows a modern retail store interior. In the foreground, there is a clothing display with various items on shelves and a rack. The shelves are illuminated with colorful lights (red, green, blue). A sign on the display says "SALE". The floor is made of dark wood. In the background, there is a blurred view of a multi-level shopping mall with a glass and steel structure. The word "Retail" is overlaid in large white letters on the left side of the image.

---

## Our Sectors: Retail

---

The A&J team excel at the creation of new interiors and the refurbishment of existing rooms and space in retail environments.

---

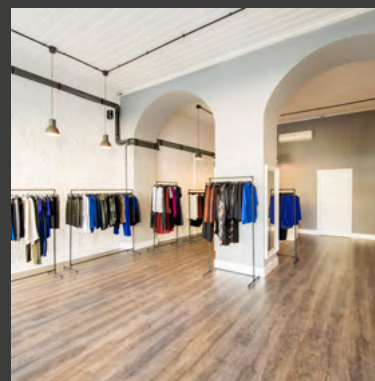

**We can offer advice and solutions for every environment within any retail outlet, always providing you with a vast choice of solutions but always bearing in mind budget restraints.**

Every member of our team plays an active role in delivery of the project; we take great pride in producing the finished product that will stand the test of time.

We pride ourselves in offering a tailored service for each and every customer and project ensuring quality is assured and delivery dates are met at all times.

Atkinson & James will provide a single point of contact to help streamline the whole process and to ensure the client brief and objectives are met consistently.
