

Specialist Care Home Refurbishment & Fit-out

At Atkinson & James we specialise in the creation of new interiors and the refurbishment of existing rooms and space.

Our experience in all aspects of refurbishment means we can deliver an environment which minimises the institutional look but offers the safe, inviting appearance of a private house.

First impressions count, and for a family member walking into a care home for the first time, they need reassurance that their loved one is going to find the comfort and care they need.

They will be looking for high standards and signs of professionalism. Shabby décor, old furniture and tired rooms with an institutionalised appearance will diminish trust.

We aim to provide quality décor and furniture to create a caring environment. The right ambiance will relax you, make you feel at home, as well as creating a great space for staff and relatives to be around residents.

At A&J we understand exactly what is needed to provide a high quality fit out/ refurbishment. We listen, understand, plan and develop every project to the

finest detail. Understanding our clients' needs in conjunction with meticulous planning and craftsmanship forms the basis of our winning formula... and it's that formula that enables us to deliver the promise... on time... every time...

ATKINSON & JAMES CAN HELP YOU TO:

- **Plan and Specify**
- **Design and Budget**
- **Project Manage**
- **Plan Maintenance to specification on time on budget**
