

## Park Inn by Radisson, Peterborough

**Park Inn by Radisson is a fresh and energetic hotel offering friendly and welcoming hospitality as well as modern fully equipped meeting rooms.**

Won in competitive tender, Atkinson & James were commissioned to complete the full refurbishment of the conference and banqueting facility including the installation of a new bar and specialist atmospheric lighting.

Over a period of six weeks working in the busy hotel, Atkinson & James installed a bespoke, retractable wall allowing the versatility of having five conference rooms that can easily be transformed into one large banqueting area, enabling the hotel to offer a more advanced wedding and party package.

### **Ray Keogh – GM commented**

*"The Project Manager choose Atkinson & James from the tenders submitted...it was a great choice. My biggest concern with the work was noise, which might disturb our residential guests. The team checked daily with the Duty manager, what time they could start the noisy work and during the 6 week project, I had no complaints.*

*The team worked efficiently always with the needs of my business in mind. Their attention to detail and focus on health & safety was impressive and their willingness to go beyond their duties to the extent they did was refreshing. My own team of well-versed Customer service agents could learn a thing or two from A&J's guys!! Great*

*job! They will definitely be getting a call if I have more works to complete in the future."*
